Evaluation of the Spiritual Course at Mysore Oct 14th –Dec 17th 2021

“Come follow me”

“Jesus is the fountain, of the flowing water always fresh and new. Believe in Jesus. He is source of living water & you will never be thirsty again.” The intense Course of Psycho-

Spiritual integration with a theme “**Come follow me**” helped us once again to hold on the teachings of Jesus the Sadhguru, to be obedient and faithful disciples. In following Jesus, He became our Sadhguru who is a true teacher and spiritual master. In the presence of Sadhguru, following qualities are manifested in our lives.

- 1) Knowledge flourishes
- 2) Sorrows diminishes
- 3) Without any reason , Joy wells up
- 4) Lock dimensions, abundance dawns
- 5) All talents manifest.
- 6) Jesus helps us to become an illumined soul that alone can enlighten another soul. The practice of virtues like Love, Compassion, Forgiveness, Mercy & Generosity calls all of us seriously to bear and follow the qualities that manifested in Jesus, the sole master of our psycho- spiritual life.

The richness of our Consecrated religious life is hidden until it is truly based on love of God and love of others. His coming to this world is just the unconditional love that God has for us, and in commitment we are called to imitate Him to have such unconditional love for God and our neighbor. Jesus came to seek what was lost, to find what was missed and to give life to what was dead. The Course Psycho- Spiritual integration “**Come follow me**” consider it as our opportunity to rejuvenate our dropping to strengthen the spiritual journey of soul, mind and body, to know the value of ourselves fully and role of the indwelling role of Holy Trinity in our consecrated religious life, to follow the teachings and qualities of Sadhguru, Jesus the sole master of our lives.

Rev. Sr. Mukta and Council. We thank you Sisters for giving us this golden opportunity to attend this course “**Come follow me**” which helped us to attain knowledge on Scripture ,Schools of Spirituality, Indwelling of the Holy Trinity, Inner healing & Christen Spirituality of Women

SILVER JUBILEE -1997 BATCH

We are exceedingly fortunate to intensify the quality of our consecrated life in order to emanate the equivalent in our community living and mission. The significance of jubilee celebrations in the Bible and the purpose of jubilee helped us to understand and to prepare ourselves to look backward with gratitude and to look forward with hope and to begin a new life to focus on the life subsequent to Jubilee. A paradigm shift from mind to heart and to celebrate Life -“STOP GOING THROUGH LIFE AND START GROWING THROUGH LIFE”

We were provided with beneficial ambiance and time to attend the assortment of seminars and classes on PSYCHO -SPIRITUALITY, VOWS & COMMUNITY LIFE, INNER CHILD BIBLICAL SPIRITUALITY - WOMEN IN THE BIBLE & IGNATIAN SPIRITUALITY.

- ☐ All things have contributed to our encroachment, enhancement and advancement.
- ☐ The sessions are erudite, realistic, empirical and informative.

☐ It has paved an inner journey of oneself and has unraveled the truth that knowing oneself helps us to know the Divine in a deeper way.

☐ PSYCHO –SPIRITUALITY: We learn to stand in a new place of power within ourselves, embodying the light of our being. We are able to release the emotional hooks and negative core beliefs.

☐ VOWS & COMMUNITY LIFE: The Kingdom of God is a network of authentic relationship in the presence of loving God.

☐ INNER CHILD: Each one of us has valuable treasure within us gifted by God.

☐ BIBLICAL SPIRITUALITY - WOMEN IN THE BIBLE: Spirituality is not a destiny, but it is a journey.

☐ IGNATIAN SPIRITUALITY- THE DISCERNMENT:

The dynamics on the spirituality of St. Ignatius was a break through moment for our spiritual journey. We are fortunate to acquire the knowledge of such a profound and intense spirituality in preparation for our one month directed Ignatian retreat. St. Ignatius method of discernment will certainly help us to make right decisions and explore the possibility of reversing the decision of a choice made years in advance.

IGNATIAN RETREAT (Feb 16 to March 18):

We honestly acknowledge the inestimable gift of the Congregation for this opportunity to journey with the Lord. The 30 Days of deep encounter with the Lord and a month-long celebration on Ignatian Spirituality strengthened us spiritually, and helped us to grow in the personal love for the Lord. Rev. Fr. Devathas Muthaiaha SJ, stirred and stimulated us through his insightful reflections in his sermon to look back with gratitude and move ahead adding dynamism to do a lot more to the Lord without holding back . We are renewed, rekindled and re-oriented in our spiritual journey.

The greatest encounters with God need us to hike up a mountain till we are able to see above the tree line, we see the world around us, while at the same time, we are distant from the world. To see where we have come from and where we are going. To find God, the human spirit needs places where nature has not been rearranged by the hands of human. Nature holds the key to our aesthetic, intellectual, cognitive and spiritual satisfaction. Hence the mountain top of Sirumalai encounters God in a deeper way and the interior Knowledge of the Lord in solitude and silence.

We have come to a greater appreciation of our journey of Faith and this has led to a greater renewal of commitment of our vocation.

Golden & Diamond Hearts Speak

The journey of our most memorable Golden jubilee started 50 years ago when we stepped into the portals of JMJ in 1972. The zenith of that most important journey once again re-lived by 12 of us when we came together with the mixed feelings of joy and great sorrow with the loss and absence of Sr.Amala Karanam in our midst. 22 days of our togetherness started with Traditional warm welcome with Arathi,bottu and flowers at the entrance of Colossal White House greater than the famous white of USA President though we arrived at different times, with different modes of travel. At the outset a meaningful thanksgiving Prayer Service was conducted resembling the different musical instruments with their application of melody and the road we travelled for the past years with its beauty of thrones and thistles, sand and rocky, green pastures and the land flowing with milk and honey depicted in the chapel was praiseworthy.

Our words are not sufficient to explain about the first three days in JMJ Provincialate, Managalagiri, Guntur. Every day is an outing / picnic and every day was marked with warm welcome and Mini Golden jubilee celebrations a foretaste of Triple Jubilee day on 22nd March'2022. We were taken to 10 of our communities of Guntur Province and met at least 50% of our sisters from Province and we were exuberantly happy and excited to meet our old friends and acquaintances in person.

A solid spiritually grounded person Rev. Fr. Sandana Swamy.S.J with his loud and vibrating voice while beating on the table or clapping hands he awakened us to the reality of meeting Jesus in prayer and he made it very clear that there is no retiring in religious life but re-tiring ourselves to fit in where ever needed according to one's energy and capacity.

'The strength of Our temporary Sweet old age Home increased by the solemn arrival of our 11 Diamond Jubilarians.'

We, 12 Golden Brides and 11 Diamond Brides started our 8-day Ignatian retreat under another son of St. Ignatius Rev. Fr. Victor Emmanuel.S.J with his wit and wisdom and humor helped us to look at the life lived so far with gratitude and look forward to a hope filled serene life which brings us closer to God.

A SIMPLE POEM OF GRATITUDE PERSONALLY FROM US.

I'm thankful for a God above who loves me as I am.
Who hears my prayers, calms my fears, and reminds me that I can.
My World Full of people, full of hope, full of life, and all its beauty.

I'm thankful to all my JMJ Sisters who walked with me for 50 years.
I'm thankful to all who shared our joy on 22nd March and 30th April'2022.
I could never tell it all, how grateful is my soul.
Blessings are truly countless when He's with us as we go.
I share the same Blessings with all who made my life meaningful
I'm sure of the loving accompaniment of all that made me what I am today.

EXPOSURE PROGRAM OF TPS

CONGREGATION OF JESUS MARY JOSEPH, HYDERABAD

EXPOSURE PROGRAM OF TPS

PROVINCE

Imbided with Passion & moved with Compassion

The words of Mary Davis “We cant heal the world today but we can begin with a voice of compassion, a heart of love and act of kindness.”

The TPS of Hyderabad Province went in 3 groups and had an unique God experience at Disabled Center Aliabad. This experience was very inspiring, heart touching, and dynamic. The works of St.Teresa of Calcutta lingers in our hearts as cared for the disabled, unwanted children, the old people who are dying on the street corners of railway platforms. This exposure program was for us a dream realization.

We remembered the words of our founder 'Find God in everything love Him in everything and everything in Him'. This was a golden opportunity to show our solidarity to them.

Being with the mentally challenged both men and women was a challenging task but it was a U – turn in our lives. As we stepped into the premises we were afraid to look at them and be with them. As the days passed by, the following it was rejuvenating.

Rev.Fr.Xavier SVD, the director of the institute was a radical and exemplary person who sees God in the inmates of the institute. He doesn't count the hours, health, hunger, he is 24/7 with, for, by the people. Ever ready disciple of Jesus and a great missionary. Reasoning input sessions with practical life style which included philosophical talks was a great inspiration to everyone of us. He Spoke with life lived experiences. We were shocked to have seen experiences which led us to continuous awareness, thinking process, internal disturbances which moved us to inward journey of ourselves and grow into a beautiful God experience and be remain as contend persons.

The days passed away unnoticed. If we couldn't have this exposure programme we could have missed the pearl of life. The experience with them motivated towards mission, to reach out to the unreached. We firmly say

that we give Joy, hope and praise God in others. We have come to know the value of life and specially the value of sound health of mind & body. Our hearts were moved with passion which led us to be compassionate towards the others. We were able to become friends as Jesus calls us as His friends but not servants so too we were for them. At times we were searching for happiness, but these inmates taught us the real and genuine happiness and to be content with what we have.

Though they were handicapped we could see how they help each others in their own way.

The experience in a nutshell is:

- C**-reate a world
- O**-f responsible and kind people
- M**-ost of all a
- P**-lace as beautiful to live
- A**-ppreciate the virtue of
- S**-haring and caring
- S**-ympathy and service
- I**-f we imbibe true values
- O**-only then humanity can survive and save
- N**-ever ending happiness

We are ever grateful to Sr.Mukta Xess our Provincial superior and Council, in particularly to Sr.Showri Tresa incharge for formation who took initiation in arranging exposure programme. We thank dear Sr.Bridgit Govindu Junior directress for her constant accompaniment, timely guidance and for all the arrangements who stood by us till the end of the programme.

With profound gratitude,
Temporarily Professed Sisters
Hyderabad Province.
